COMMUNITY ENGAGEMENT & LEADERSHIP

Founder, *Neev Ventures* **(January 2025–Present)**

- Founded a social enterprise advancing women-led Self-Help Groups and underserved women entrepreneurs through financial literacy, market access, branding, digital enablement, and enterprise-development support.
- Expanded direct engagement from a 150+ woman artisan pilot in Narnaul to 1,000+ women entrepreneurs, artisans, and community members, with broader outreach approaching 20,000 beneficiaries through institutional and field partnerships.
- Secured a two-year Memorandum of Understanding with the Indian Institute of Governance and Leadership to archive and integrate Neev training modules into its institutional repository.
- Developed an ODOP implementation framework with the Narnaul SDM office; components of the SHG toolkit were documented by the Haryana Institute of Public Administration as practitioner references.
- Built partnerships with Navjyoti India Foundation, India Vision Foundation, Nisarg Foundation, Frontier Markets, HIPA, and IIGL; received recognition from NSDC for contribution to enterprise creation and livelihood development.

Founder, Project Navjeevan **(Jan 2026–Present)**

- Founded an enterprise-development and mentorship initiative supporting formerly incarcerated women in rebuilding economic independence through entrepreneurship, financial literacy, and digital-business training.
- Mentored 40 women and raised ₹2 lakh in seed support for micro-enterprises in tailoring, beauty services, and food businesses; supported participants in building recurring monthly income of approximately ₹6,000–₹8,000 from zero prior income.
- Directed and produced the documentary "Rebuilding Freedom," recognized at three independent film festivals and adopted by India Vision Foundation as a flagship public-awareness campaign.
- Featured in Indian Independent Film Festival (Best Young Filmmaker Under 18); Crown Wood International Film Festival (Best Student Short Film); Makizhmithran International Film Festival (Honorable Mention.

Student Council Secretary, Social Initiatives, The Shri Ram School **(2025–2026)**

- Organized a school-wide Labour Day collection for approximately 120 support staff and coordinated a technology and online-safety session for staff members.
- Led a relief drive for schoolchildren in Pahalgam, Kashmir, mobilizing stationery, bags, water bottles, and other essential school supplies.

Head, Entrepreneurship Society, The Shri Ram School **(2025–Present)**

- Led weekly workshops, business simulations, risk-taking activities, and pitch competitions, creating a hands-on entrepreneurship environment for 40 students.

PRE-PROFESSIONAL EXPERIENCE

Intern, Haryana Institute of Public Administration (HIPA), Research & Documentation Division **(Summer 2026)**

- Designed a bilingual SHG Digital Literacy & Scheme Navigation Module for rural-development contexts; the curriculum was integrated into HIPA's mandatory officer-training cycle.

- Received recognition from the Director General, HIPA, for contributions to capacity-building and practitioner-oriented documentation.

District-Level ODOP Pilot, Office of the Sub-Divisional Magistrate, Narnaul **(Sep 25–Feb 26)**

- Worked with Aniruddh Yadav, IAS, to develop an ODOP implementation framework for women-led SHGs and conducted train-the-trainer workshops on financial literacy, enterprise development, and market access.
- Contributed to a framework subsequently scaled by the SDM office toward 5,000+ women and forwarded to HIPA for state-level evaluation.

Intern, Passionfruit AI, New York **(June, 2025)**

- Completed a 4 week internship and conducted market research, competitor-landscape analysis, content planning, and performance-data review for an AI-driven company focused on SEO, GEO, and AEO discoverability.
- Advocated enforcement of youth protection laws through outreach campaigns and social awareness initiatives.

Intern, SailThru Ventures, New Delhi **(Dec 2024–Jan 2025)**

- Completed a three-week paid venture-capital internship focused on startups featured on Shark Tank India; evaluated pitches, business models, competitive landscapes, and market opportunities.
- Prepared investment memos and pitch-deck analyses with the senior investment team and presented findings to the investment committee.

RESEARCH & PUBLICATIONS

- Authored *"Empirical Study of the Effects of One District One Product (ODOP) Initiative on Indian Export Performance: A Panel Data Analysis,"* published in the International Journal of Social Science Research and Review (IJSSRR), Vol. 9, Issue 1 (2026).
- Selected to present the ODOP research at the **Sigma Xi Student Research Showcase 2026**, a peer-reviewed international student research forum.
- Serves as a **Research Assistant** to Associate Professor Daniel Fehder, Georgia Institute of Technology, Scheller College of Business, with an ongoing focus on the economics of entrepreneurship and innovation.

SUMMER PROGRAMS

Wharton Global Youth Program – Essentials of Entrepreneurship **(2025)**

- Studied customer discovery, MVP development, scaling, business metrics, and cap-table fundamentals; co-developed "Nutrify," a fitness-band concept, and placed second in the final team pitches.

Stanford Pre-Collegiate Studies – Strategic Marketing **(June, 2024)**

- Studied consumer segmentation, buyer personas, value propositions, brand positioning, perceptual mapping, and global marketing; co-developed a Gen Z repositioning strategy for Listerine and received a commendation letter from the professor.

Ashoka University Horizons – Being Entrepreneurial **(May, 2024)**

- Studied entrepreneurial strategy, mission development, buyer personas, and business fundamentals; co-developed an AI-enabled mental-health app concept informed by a 50-participant survey.

Harvard Youth Leadership Program **(June, 2023)**

- Completed a leadership bootcamp focused on communication, confidence, teamwork, and social-impact problem solving; co-developed a financial-literacy initiative for marginalized communities.

EXTRACURRICULARS

Co-Founder, Stage 4 Change **(2025–Present)**

- Co-founded a student-led theatre initiative; directed three David Ives productions, recruited 10 student actors, sold 150 tickets, and raised ₹1.6 lakh to support 175 children with special needs, autism, and other medical causes.

Guitar, Yama Academy / Trinity Rock & Pop **(2017–Present)**

- Trained for 9+ years; earned Trinity Rock & Pop Grade 6 certification, performed at India International Centre and school venues, and is preparing for Grade 8.

Drama, Joy of Drama Academy / LAMDA **(2024–Present)**

- Performed lead roles in school and independent productions and earned LAMDA Grade 7 certification with Merit.

Founder, Stretchimals **(2023–Present)**

- Launched a dropshipping venture for stress-relieving hobby toys; conducted market research, supplier sourcing, branding, and digital marketing, generating ₹30,000 in revenue and 200+ website visitors.

The Investors Blueprint – Portfolio Strategy Challenge, CapGrow Capital **(2024)**

- Placed 3rd among 20 high-school participants and 1st in an online stock-market simulation after applying technical and fundamental analysis to portfolio construction.
